Dear Mr. Petersen:

The public hearing meetings by the Planning Commission for the General Plan update have been delayed longer than anticipated. I prefer not to remain on the Commission for these meetings, so will make my resignation effective January 15, 2004.

Mr. Floyd Petersen, Mayor  
City of Loma Linda  
Loma Linda, CA 92354

Dear Floyd:

It was with mixed emotions and after considerable thought that I recently informed my colleagues on the Planning Commission that I would be resigning from the Planning Commission before my term expires on June 30, 2005. I borrowed a phrase from a friend, "I have enjoyed all I can stand!"

I had originally planned to step down effective October 31, 2003. It appears the Planning Commission will not have finished the public hearings on the updated General Plan by that date, and I would like to work with the Commission until this phase is completed. My resignation date, therefore, will be the day after the final Planning Commission public hearing meeting for the new General Plan.

My tenure on the Commission since it was established in January of 1993 has been a valuable learning experience. It has been a privilege to serve my community in this capacity. I will continue to be involved in other ways and will encourage other residents to discover how satisfying and rewarding participating in civic activities can be.

I wish to thank Dan Smith and Deborah Woldruff for the guidance and support they have given to the Commission. Their expertise and insight have been extremely valuable.

Sincerely yours,

Marilyn Roberts  
Planning Commissioner
